### 'Cinemin Swivel' Pocket Sized DLP Projector

Here is a new gadget that is worth all the excitement! It is the Cinemin Swivel. This is a cool new pocket sized DLP projector that can be used with almost any type of media player such as iPod, iPhone, and digital cameras. With this awesome new projector (due to be released at the end of September 2009), you can turn any dimly lit place into a small movie theater!

This is a must-have for any gadget lover!

### Buying a Used Laptop?

Just the thought of it scares me. Buying used electronics does not sound like a good idea and that is what the technology industry wants you to think. Not to worry, there are some great ways to weed out the lemons. Purchasing a used laptop is not only good for your wallet; it is also good for the environment.
